versamove versaflex

Quotation item:

## Customer Details

Company:	Date:
Contact person:	Customer-No.:
Comment (Customer project, factory standard):	

## Conveyed Product and Environmental Conditions

Conveyed product:	Pallet dimensions (mm):
Dimensions L/B/H (mm):	Pallet replacement time (sec./pallet):
Weight each (kg):	Output (pcs./min.):
Take up:	Cycle time (sec./pallet):
Take up weight (kg):	Shift operation:
Total weight (kg):	Performance specification:    no    yes
Weight distribution:	Equipment specification:    no    yes
Comment:	

## Environment

Voltage:	230/400V, 50Hz, 24 VDC, IP 54	Other:
Compressed air:	6 bar	Other:
System environment:	dry (air humidity < 60%), not abrasive	Other:
Temperature range:	+5°C to + 40°C	Other:
System location:	Germany	Other:
ESD requirements:	no    yes	
Comment:		

## Interfaces

Sensor system:	no    yes
Controller:	no    yes
Electr. installation:	no    yes
Pneum. installation:	no    yes
Loading:	
Unloading:	
System position:
